Subject: Proposed MOU

Hi David,

For your inclusion in the County Board resolution, I have attached a proposed final MOU with the Exhibits. The only thing that has changed from the prior version is the inclusion of the DNR's 2019 language for the groundwater studies, adding a new manager name in the signature block for AGC, and making the agreement effective as of the date the final party executes the MOU. If, for any reason, this draft needs to change before the vote on December 18th, we have received your email with contact information for people in your office that can provide an updated copy in the resolution.

Thank you,

Cameron
